

If you are looking for a counter top merchandiser, the Pizza Zone is ideal for merchandising pizza as well as so many other food items. Its generous capacity and alluring lighting showcase food to perfection making it perfect for attracting customers and generating impulse sales.

Increase Impulse Sales

This versatile hot case can be placed in high-traffic areas and will attract attention with its abundant lighting.

Consistently Keeps Products in the Safe Zone

An innovative patented heating technology delivers even heat from corner to corner, keeping products above 140°F (60°C) without overheating.

No Training Required

A single ON/OFF switch controls temperature and lighting. Surface-mounted temperature strips indicate when the unit is warm enough to safely accept food, eliminating operator guesswork.

Easy Cleaning

Side swing doors, and all stainless steel construction make for easy cleaning.

Extremely Reliable

In an ongoing study of over 2 million operating days, Zone Hot Cases have achieved 99.997% reliability. Virtually no maintenance costs.

Large Capacity

Over 3400 in² (2.2 m²) of heated shelf space easily accommodates up to nine 18" (45 cm) diameter pizzas.
